

### **2008 Racing Tip # 3 P/N 3222151 Slipper Gear**

The slipper gear P/N 3222151 used on the 2006 and 2007 440 IQ will no longer be available. The slip gear will supersede to P/N 2203821 Slip Axle Assembly used on the 2008 600 IQ race sled.

When converting from the slip gear to the slip axle it will be necessary to install a bottom gear P/N 3222126 (45 tooth).

Consult the 2008 service manual for optional gear selection.
