Tip #5

2005 440 IQ Airbox Update

Due to the poor fit of the 440 IQ Airbox. We will replace the airbox and carburetor boots at no charge. For those racers attending the W.S.A. national race in Duluth, MN a new airbox can be picked up at the Polaris Race Support Trailer. You must provide the last 4 digits of your serial number. All others will be shipped direct.
