

Race Tip # 1 Sno-Cross Junior Class Criteria.

Due to the change in stock class from 440cc to 600cc for the 07/08 race season, there has been some confusion as to what sleds juniors will be eligible to race on.

ISR rules mandate that the Junior Classes are structured as listed.

JUNIOR 14/15

Ages (14 and 15) 600cc stock fan cooled snowmobiles / 500cc stock liquid cooled snowmobiles.

JUNIOR 16/17

Ages (16 and 17) 600cc stock fan cooled snowmobiles / 500cc stock liquid cooled snowmobiles
